Dear Foreign Commerce Club Membership and Potential Members,

On behalf of the Foreign Commerce Club Board of Governors;

Today, I write to remind you of what a wonderful club we are all a partner in! For 104 years, this club has moved forward in bringing industry people together who are “doing the same thing”...

With the support of the industry, you have ALL helped us contribute to the following charities:

- Make a Wish Foundation
- Hole in the Wall Gang
- SUNY Maritime

In the past, we have also contributed to additional charitable organizations such as:

- Autism Speaks
- Building Homes for Heroes

I believe we are all CAPABLE OF AMAZING THINGS; help us achieve them together!

We have an exciting year planned, with new events and venues (to be announced), along with others you may have enjoyed over the years.

- Members Night March 20
- Networking Night April 18
- Golf Tournament May 15
- Annual Dinner October 17
- Holiday Party December 5

Membership is **OPEN!** We have two new categories to go along with our membership for individuals: corporate member and club partner designations. Details are available on our website - [click here!](#)

Ladies: I'M CALLING ON ALL OF YOU! This year marks the FIRST WOMAN PRESIDENT IN 104 YEARS of the Foreign Commerce Club of New York. LET'S MAKE THIS ONE COUNT... JOIN US TODAY!

Hope to see you all soon!

Sincere regards,
Regina M. Terranova

President, Foreign Commerce Club
